SUMMARY

BBA Graduate (Finance and International Business) with a strong interest in finance, technology and data analytics, backed by a record of winning inter-collegiate business competitions. Gained hands-on experience in data analytics, sales & finance during analyst internship at Tata Consulting Engineers.

EDUCATION

Christ (Deemed to be) University

Bachelor of Business Administration (Finance and International Business)

- CGPA: 9.05 / 10 (received Academic and Co-curricular Scholarship)

Bangalore, Karnataka

2023 – 2026

WORK EXPERIENCE

Tata Consulting Engineers

Business Analyst Intern

Apr 2025 – May 2025

Bangalore, India

- Built a contract win-probability model using logistic regression (Excel) and gradient boosting (Python, scikit-learn) to estimate the likelihood of winning future bids.
- Automated Sales team PowerPoint reporting by connecting the data warehouse to continuously updating, customised Power BI dashboards.
- Developed Power BI dashboards on historical and current contract bidding data, surfacing key metrics for a comprehensive view of bid performance.
- Researched and mapped 250+ potential EPC and developer clients across 12+ countries, with projected energy generation for each market.
- Cleaned datasets and removed errors to optimise the Sales team's databases using data analytics and research.

QSHALA Consulting (ed-tech startup backed by Zerodha's Rainmatter Capital)

Content Research Intern

Mar 2024 – Dec 2024

Bangalore, India

- Developed educational content for 30+ schools and colleges across India, extending learning beyond the textbook curriculum.
- Wrote quiz questions for Zerodha's Zero1 Fest (April 2024), India's largest wealth and finance festival, for audiences of 500+.
- Contributed content to the Zerodha Varsity Quiz, Bengaluru's premier financial literacy quiz, with 1000+ participants.

ACCOMPLISHMENTS

- **Winner, Business Quizzes:** Inferno 2024 & 2025 (Christ University, CUSBMA); Cognito 2024 & 2025 (Christ University, Dept. of Professional Studies); Samanvaya 2025 (Jain University, College of Commerce); Chanakya 2026 (St. Joseph's College of Commerce)
